Dear Sir:

In order to aid the Patent Office in examination of the above identified patent application, the following material information disclosure statement is submitted. The list of patents, publications, or other information is the closest material information I am aware of. Attached to the list is a copy of each item or each item's relevant parts. This statement should not be construed as a representation that a search has been made or that no better art exists. Any copy that is unavailable is noted on the Form PTO-1449.

The above cited references do not anticipate the instant invention or render it obvious.

Respectfully submitted,

RONALD E. LUSE et al
